Announcing an Exciting New **PARTNERSHIP**

We're thrilled to share some exciting news with you! Desert Recreation District (DRD) is delighted to announce the expansion of our partnership with the City of Indio. This collaboration represents a significant step forward in our shared mission to create a safe, enjoyable, and fun park environment for the entire Indio community as well as neighboring ones.

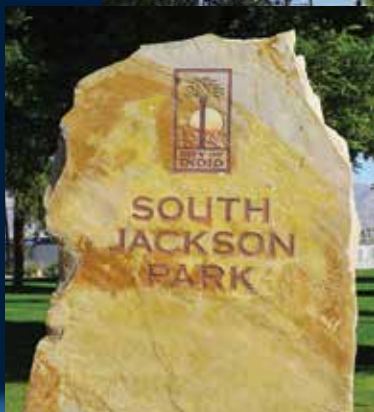

Kevin Kalman, General Manager of DRD, shared his enthusiasm for this partnership, stating, "Our collaboration with the City of Indio is a significant leap forward in our ongoing mission to create vibrant, thriving communities through recreational opportunities. We are excited to care for the city's 13 beautiful open spaces and provide a safe and welcoming environment for all."

As you look through the following pages of activities in Indio, you will see some that will be taking place at locations such as Miles Avenue Park and South Jackson Park. Events like our Easter Scavenger Hunt and Sports including Youth Football Clinics, Tiny Soccer Stars, Youth Soccer Clinics and Youth Soccer Skills and Scrimmage will be at some of these parks. Thanks to this expanded partnership between DRD and the City of Indio, these cherished parks, with newly managed programs, are poised to become hubs of activity and entertainment for individuals and families alike while bringing a positive impact to the community.

At the heart of this partnership lies the introduction of DRD's new Indio Park Attendants, a dedicated team of individuals who will play a pivotal role in ensuring a safe and amazing experience during your next park visits. They will be ensuring that each of Indio's open spaces is ready for your enjoyment, monitoring park activities and so much more including park rules, activities, facilities, and events. Their presence will undoubtedly enrich your park experience.

The responsibilities of our Park Attendants include vigilantly monitoring park activities to promote responsible usage, providing essential assistance during emergencies, fostering positive interactions among DRD staff, City staff, the Indio Police Department (IPD), and the community, preserving the parks by maintaining clean and well-stocked restrooms, reporting maintenance needs, incidents of vandalism, and other issues to the relevant City departments for prompt resolution.

We are excited about the positive impact this partnership will have on the City of Indio. Together, we are committed to ensuring that our public spaces are cherished, respected, and well-maintained for generations to come. Residents can make reservations for park facilities, inquire about upcoming programs, and access a wealth of valuable information related to community events and services by calling **760-347-4263**, or stop by our Indio Community Center at 45-871 Clinton Street in Indio. OUR MISSION

To enrich and preserve the quality of life for residents. We do this by raising funds and garnering support to purchase, develop, enhance, preserve, promote, and expand the Coachella Valley’s recreation activities, programs, parks, properties and facilities.

Can you imagine a community without parks and recreation? Neither can we!

We believe parks and recreation should be available to everyone in our communities no matter their income or ability.

FINANCIAL ASSISTANCE PROGRAM

Desert Recreation Foundation programs, activities and events are open to everyone. Your Desert Recreation Foundation works closely with communities that we serve to reduce program and activity fees for residents who cannot afford to participate. Our goal is for no child or adult to be left out of the recreational, sports and out-of-school activities we offer because of limited income.

The Desert Recreation Foundation (the Foundation) is a 501© (3) non-profit organization responsible for raising funds on behalf of Desert Recreation District.

Since 2001, Desert Recreation Foundation has been working behind the scenes of Desert Recreation District to enrich and preserve the quality of life for residents by raising funds and garnering support to purchase, develop, enhance, preserve, promote, and expand the Coachella Valley’s recreational activities, program, parks, properties, and facilities. We believe parks, recreation opportunities, and learning programs should be available to everyone in our community, no matter their income level or ability. We make that a reality and can do so much more with your help!

***Everyone deserves access to quality parks and recreation facilities!
Your Support Makes It Possible!***
